## San Diego Civic Dance Association

### Mission Statement

*Our mission is to support and promote a premiere dance arts program and an appreciation of the arts, in cooperation with the San Diego Park and Recreation Department Dance Arts Program.*

**San Diego Civic Dance Association is a non-profit, all volunteer, public benefit organization. Every year, our dedicated volunteers give over 20,000 hours of their time to support the many programs of the City of San Diego's Civic Dance Arts program. While the City fee covers the cost of the dance classes, each year our hardworking volunteers work to raise over \$100,000 to cover the costs of our performances and additional programs.**

**San Diego Civic Dance Association funds and produces performance opportunities for dancers taking classes with the City program. From Recitals, Collage, December Nights, Dance Fair and many more, our pledge is to provide a complete education and performance experience for our dance community.**

**In addition to performance opportunities, SDCDA funds financial aid, merit scholarships, college scholarships, costume assistance as well as specialty dance training opportunities for both dancer and teachers alike.**

**Our pledge is to build and maintain a strong dance program that supports all of our students and teachers, alike.**

**Our pledge is to build and maintain a strong dance program that supports all of our students and teachers, no matter their age or ability level.**
